

King Fahd University of Petroleum and Minerals  
Preparatory Year Program  
SUMMER STARS 2024  
SYLLABUS

The English Program syllabus is designed to help outstanding students improve their English language skills and proficiency, the KFUPM Summer STARS English Courses aim to enhance learners' reading, listening, grammar, vocabulary, writing, and speaking skills. The primary textbook used in the courses will be National Geographic's Life series, catering to learners at the pre-intermediate, intermediate, and upper-intermediate levels
