

Course Policy-Term 241 Physical Science - PYP001

❖ **Course Website:** [PYP001 \(kfupm.edu.sa\)](http://kfupm.edu.sa)

❖ **Course Coordinator:**

**Dr. Tayseer Abu Alrub,
Director of Prep. Science & Engineering Program
Office 444, Building 57.
Phone: 7732**

❖ **Instructor Name:**

❖ **Course Description:**

The course discusses basic concepts in Physics and chemistry through laboratory work, the lab includes several experiments on the following topics (Motion; Forces and Newton's laws; Work and energy) and Chemistry (Gas Laws, Buoyancy and density, Viscosity, and the conservation of mass).

❖ **Course Objectives:**

1. Develop a better understanding of basic physics and chemistry concepts.
2. Observe, analyze, and interpret data.
3. Learn to estimate different types of errors affecting the results.
4. Develop written reporting skills.
5. Use scientific apparatus in a wide range of experiments.
6. Practice collaborative problem-solving.

❖ **Course Outcomes:** After successfully completing the course, students should be able to

1. Identify basic concepts of Physics and Chemistry.
2. Analyze and solve physics and chemistry problems effectively.
3. Develop written reporting skills.
4. Demonstrate the ability to think critically, abstractly, and logically.

5. Use the scientific method to make conclusions.
6. Investigate whether or not results come out as expected.
7. Develop a positive attitude toward Physical Sciences

❖ **Attendance Policy:** Attendance is compulsory. It will be enforced and evaluated according to current university regulations. ***DN grade shall be given to students who accumulate 3 or more unexcused absences or a total (excused and unexcused) of 5 or more absences.*** A student, who has a valid excuse for an absence, must present an officially authorized document to his instructor no later than one week following his resumption of classes.
3 Lates equals one unexcused absence.

❖ **Grading Policy:**

Lab Reports	14 Reports (80%)
Online Homeworks	4 HWs (10%)
Classroom Quizzes	4 Quizzes (10%)

- ❖ **Make-up Exam Policy:** A student, who misses an assessment, must present an ***official and valid document (excuse)*** to the instructor within 7 days after the assessment to be eligible for a make-up. If not, the score for that assessment will be zero. ***Personal excuses will not be accepted.***
- ❖ **Cheating Policy:** Cheating is unethical. Proved cases of cheating would entitle concerned students to zero marks (in assessments or lab works).
